Synchronized swimming is coming to Georgina.

The Newmarket synchro competitive swimmers team is partnering with the Georgina Leisure Pool aquatic director Stephen Faudemer to present a water show and demonstration March 17 from 11:30 a.m. to 1 p.m., team spokesperson Mary Dwyer said.

In addition to the pool and the town's leisure services department, the event is also supported by Synchro Ontario and the Ontario Ministry of Tourism and Recreation.

The demonstration will be followed by a free "try synchro" event.

Several Georgina residents are members and will be part of next week's show, she said.

Anyone who would like to try synchronized swimming can call the leisure pool at 905-722-1429.
